

Amphetamine Annie

Canned Heat

INTRO:

(Spoken)

As

This is a song with a message,
I want you to heed my warning.

VERSE 1:

As

Gonna tell you all a story, about this chick I know.
They call her Amphetamine Annie, an' she's always shovelin' snow.

C#

I sat her down and told her, I told her crystal clear

As

I don't mind you gettin' high but there's one thing you should fear

Es

C#

Your mind might think it's flyin' baby on those litte pills

As

Es

But you ought to know it's dyin' cause, speed (stop) kills!
(Yell "Speed Kills")

VERSE 2:

As

But Annie kept on speedin', her health was gettin' poor
She saw things in the window, she heard things at the door

C#

Her mouth was like a grindin' mill, her lips where cracked and soar

As

her skin was turnin' yella', I just couldn't take it no more

Es

C#

She thought her mind was flyin', on those litte pills

As

Es

She didn't know it was going down fast, cause speed (stop) kills!
(Yell "Speed Kills")

SOLO:

(Spoken)

As

Yaaaa, speed can kill you too baby, yaa

As

Little Solo Riff

As As C# As Es C# As Es

VERSE 3:

As

Well I sat her down and told her, I told her one more time
The whole wide human race has taken far too much melamine

C#

?

She said "I don't care what a lyma says, I got to get it on

As

I'm not hip to the seen of the man who come from across the pond"

Es

C#

She wouldn't heed my warnin', lord she wouldn't hear what I said

As

Es

Now she's here in the grave yard, and she, awfully dead

(Yell "Awfully Dead")

OUTRO:

Yelled (in a drunken fit)

As

Ya speed gonna kill you!!

As

Anybody. Speed 'll get you!!

As

Speed from over the pond.

As

There ain't no hope baby...

As

Yaa, aah hah.

As

Spoon a Spoon a Spoon.... huah (do ztracena)
