

Fannie Mae

Canned Heat

Oh well, I want somebody
To tell me what's wrong with me
Oh well, I want somebody
To tell me what's wrong with me
Sure had the trouble
So much misery

Well, I can hear your name a-ringin'
On down the line
Well, I can hear your name a-ringin'
On down the line
I wanna know if you love me
Or if I'm wastin' my time

Fanny Mae
Baby, won't you please come home?
Fanny Mae
Baby, won't you please come home?
I wanna know if you love me
Or if I'm wastin' my time

(Aw, not gonna waste my time
And my time ain't long)

Oh, Fanny Mae
Baby, won't you please come home?
Fanny Mae
Baby, won't you please come home?
Well, you know I love ya
Don't leave your daddy alone

Fanny Mae
Baby, what's wrong with you?
Fanny Mae
Baby what's wrong with you?
Well, you know your daddy loves you
Yeah baby, that's the truth

(Aw, yeah!
My, my, my
That Fanny Mae can sure strut her stuff
Aw, yeah)
