

Send Me Your Pillow

Canned Heat

Send me your pillow baby, that you been cryin' on
Please send me your pillow baby, that you been cryin' on
I have nothing left of you baby, just your memories
I wanna let you know baby, I'm lonely just like you

I wanna let you know baby, oh, I'm lonely just like you
And that's why I want you, to mail me your pillow baby
Mail, mail me your pillow baby, you been cryin' on
You won't call me, and neither send me, send me no telegram

Oha, oha, you won't call me, baby, and neither, and neither send me no telegram
Just watching you baby, please send me your pillow baby, that you been cryin' on baby
I just wanna let you know baby, I still think of you, oh yeah, oh yeah
I been cryin' baby

My nights been so lonely
Oh yeah, that's why I'm begging you baby
Please send me your pillow baby
Please send me your pillow baby,
You been cryin' on,
You been cryin' on
