

Strut My Stuff

Canned Heat

Gee I'm feelin mighty mighty lonesome
Gee I'm feelin mighty mighty lonesome
I need her with me and I don't know what I'm gonna do

She even told me right from the start
If I ever leave you Daddy gonna break your heart
Every time I think about it makes me feel so blue.

Well my baby she wrote me a note
And this was the answer that I wrote
Come on babe don't sing the blues with me
I'm just as sweet as any man gonna be
She even told me right to me face
Any old man, yeah could take my place

I'm getting tired of my lowdown ways
I'm going back to my baby today
Come on Honey, please don't bluff,
I wanna trip out tonight I wanna strut my stuff
I mean I wanna strut my stuff
