

The Road Song

Canned Heat

Ain't going down, dark road all by myself
Oh don't you hear me cry, yo-oooh, yo-oooh, yo-oooh
Flag that train, that's the train my baby's on
Well don't you hear me cry, yo-oooh, yo-oooh, yo-oooh
Asked her for water, she gave me gasoline
Well don't you hear me cry, yo-oooh, yo-oooh, yo-oooh

How long how long
Has that fearin train been gone
Well don't you hear me cry, yo-oooh, yo-oooh, yo-oooh
Ain't going down, that dark road all by myself
Well don't you hear me crying, yo-oooh, yo-oooh, yo-oooh
