

## TV Mama

Canned Heat

I was in my bed a-sleepin'  
Hey, hey what a dream  
I was in my bed a-sleepin'  
Hey, hey what a dream  
Well, I was dreamin' 'bout my TV mama  
One with the big, wide screen

She got great big eyes  
Little bitty feet  
Love the way she talks  
She talks so dog-gone sweet  
She my TV mama  
She got a big, wide screen  
Yes, every time she loves me  
You know that woman sure gonna make me scream

(Go ahead, get it on now boys, play it awhile)

(Aw, go ahead now, Alan)

Well, she's a fine-lookin' woman  
Weighs about 200 pounds  
Well, she's a fine-lookin' woman  
Yes, she weighs just about 200 pounds  
Well, you oughta see me, baby  
When she makes my love come down

She got eyes that shine like diamonds  
Teeth shine like pearls  
Yes, every time she loves me  
She loves me 'round the world  
She's my TV mama  
Yeah, she got a big, wide screen  
Every time my baby loves me  
You know that woman gonna make me scream

(Aw, let's do it one more time now)

I was in my bed a-sleeping  
Hey, hey, hey what a dream  
I was in my bed a-sleeping  
Hey, hey, hey what a dream, yeah  
Well, I was dreamin' 'bout my TV mama  
One with the big, wide screen
