

## We Remember Fats

Canned Heat

They call, they call me the fat man  
'cause I weigh two hundred pounds.  
All the girls do love me  
'cause I know my way around.

I was standing, I was standing on the corner  
Of Rampart and Canal.  
I was watching, watching.  
Watching all Creole gals.

I'm going, going, goin' away  
And I'm going, goin' to stay  
'cause women and bad life  
They're carryin' this soul away.

II - I'm In Love Again  
Domino

Yes it's me and I'm in love again  
Had no lovin' since you know when  
You know I love you, yes I do  
And I'm saving all my lovin' just for you  
Need your lovin' and I need it bad  
Just like a dog when he's goin' mad  
Woo-ee baby, woo-oo-ee  
Baby won't you give your love to me?  
Eenie meenie and miney-mo  
Told me you'd'n't want me around no more  
Woo-ee baby, woo-oo-ee  
Baby don't you let your dog bite me

Yes it's me and I'm in love again  
Had no lovin' since you know when  
You know I love, you yes I do  
And I'm saving all my lovin' just for you  
Eenie, meenie, and miney-mo  
Told me you'd'n't want me around no more  
Woo-ee baby, woo-oo-ee  
Baby don't you let your dog bite me

III - I'm Walkin'  
Domino

I'm walking, yes, indeed  
I'm talking 'bout you and me  
I'm hoping that you'll come back to me

I'm lonely as I can be  
I'm waiting for your company  
I'm hoping that you'll come back to me

What're you gonna do when the well runs dry  
You're gonna run away and hide  
I'm gonna run right by your side  
For you pretty baby, I'd even die

I'm walking ...

I'm lonely ...

What're you gonna do when the well runs dry  
You're gonna sit right down and cry  
What're you gonna do when I say "Bye-bye"  
All you're gonna do is dry your eyes  
I'm walking ...

V - Let The Four Winds Blow  
Domino

I like the way you walk  
I like the way you talk  
Let me hold your hand  
Try to understand I want a girl like you  
Tell my love is true  
Don't be afraid  
You've heard what I said  
Let the four winds blow  
Let it blow and a-blow  
From the east to the west  
I love you the best  
Let the four winds blow  
Let it blow and a-blow  
From the east to the west  
I love you the best

I like the way you walk  
I like the way you talk  
Let me hold your hand  
Try to understand  
I want a girl like you  
Tell my love is true  
Don't be afraid  
You've heard what I said

Let the four winds blow  
Let it blow and a-blow  
From the east to the west  
I love you the best  
Let the four winds blow  
Let it blow and a-blow  
From the east to the west  
I love you the best

VI - I'm Ready  
Domino

And I'm ready, I'm willing and I'm able to rock and roll all night.  
I'm ready, I'm willing and I'm able to rock and roll all night.  
Come on pretty baby,  
We're gonna rock, we're gonna roll until the broad daylight

Because I'm ready, mmm,  
And I'm able, mmm.  
I'm willing and I'm able,  
So you'd better come and go with me.  
We're gonna rock and roll til tomorrow 'bout three.

Talking on the phone is not my speed.  
Don't send me no letter, cause I can't read.  
Don't be long, cause I'll be gone.  
We'll go rock and rolling all night long.

Cause I'm ready, I'm willing, and I'm able to rock and roll all night.  
I'm ready, I'm willing and I'm able to rock and roll all night.  
Come on pretty baby,  
We're gonna rock, we're gonna roll until tomorrow night.

Talking on the phone is not my speed.  
Don't send me no letter, cause I can't read.  
Don't be long, cause I'll be gone.  
We'll go rock and rolling all night long.

Cause I'm ready, I'm willing, and I'm able to rock and roll all night.  
I'm ready, I'm willing and I'm able to rock and roll all night.  
Come on pretty baby,  
We're gonna rock, we're gonna roll until tomorrow night

VII - So Long  
Domino

So long, don't where I'm going  
But so long, you know you done me wrong  
So long, because I know I'm not the one

Goodbye, please tell me why  
Goodbye, you always make me cry  
Oh why, why are you never satisfied

[Instrumental]

So long, I'm all packed up and on my way  
So long, you'll need me some ol' sunny day
