

# Destroyed Without a Trace

## Cannibal Corpse

Festering morbid decay  
Saturates the air again  
Stenches of a different pleasure  
Boiling blood hole deepens  
Filled with remains, once pitiful lives  
Slaughtered day by day  
Die without a face  
Destroyed without a trace

Vanished when unfit for life  
Betrayal not uncommon  
Severed for the sacrifice  
Appease the inner demon  
Filled with remains, once pitiful lives  
Boiling blood hole deepens  
Die without a face  
Destroyed without a trace

Given away  
Life is taken away

Coordinate the mutilations  
Simplify the deviance  
Rectify the situation  
Bodies chopped with diligence  
Discarded humans melting fast  
Enveloped in putrid vapor  
Slaughtered day by day  
Destroyed without a trace

Given away  
Life is taken away  
Morbid decay  
In vain they have suffered and died

Gathered for the execution, brutal murders one by one begin  
They will die, they will die, they will die, they will die  
Dissected for incineration, chosen for annihilation  
They will die, they will die, they will die, they will die

Never to be seen or heard  
Now just a memory gone for all eternity  
Cast into non-existence

Given away  
Life is taken away
