Hammer Smashed Face

Cannibal Corpse

There's something inside me
It's, it's coming out
I feel like killing you
Let loose of the anger, held back too long
My blood runs cold

Through my anatomy, dwells another being Rooted in my cortex, a servant to its bidding Brutality now becomes my appetite Violence is now a way of life The sledge's my tool to torture As it pounds down on your forehead

Eyes bulging from their sockets
With every swing of my mallet
I smash your fucking head in, until brains seep in
through the cracks, blood does leak
distorted beauty, catastrophe
Steaming slop, splattered all over me

Lifeless body, slouching dead Lecherous abcess, where you once had a head

Avoiding the prophecy of my new found lust You will never live again, soon your life will end I'll see you die at my feet, eternally I smash your face facial bones collapse as I crack your skull in half

Crushing, cranial, contents

Draining the snot, I rip out the eyes Squeezing them in my hands nerves are incised Peeling the flesh off the bottom of my weapon Involuntarily pulpifying facial regions

Suffer, and then you die Torture, pulverized

At one with my sixth sense, I feel free To kill as I please, no one can stop me

Created to kill, the carnage continues Violently reshaping human facial tissue

Brutality becomes my appetite Violence is now a way of life The sledge's my tool to torture As it pounds down on your forehead
