

# Psychotic Precision

## Cannibal Corpse

Horrific perception that enters the brain  
An abnormal psyche insanity's brain  
Cemented beyond immeasurable doubt  
Psychotic or not they need a way out

Of their obscured minds  
If they want to be set free  
Lunatics of wrath  
Horrid killing viciously

Like incisions  
With conviction  
Various deaths  
Identical

In hell they will find  
It is where they need to be  
Murder redefined  
Butchered meticulously

Killed the same way  
On the same day  
Various deaths  
Identical

Psychotic precision, Psychotic precision, Psychotic precision  
Psychotic precision  
Psychotic precision, Psychotic precision, Psychotic precision  
Psychotic precision

[Solo Jack Owen]

Aware not of the cruel visions each had  
To slaughter alike they must truly be mad  
Rewarded with blood on their ignorant hands  
These psychos precisely slew many men

With their obscure minds  
Feeling that they were set free  
Murder redefined  
Butchered meticulously

Like incisions  
With conviction  
Various deaths  
Identical  
Killed the same way  
On the same day  
Abysmal deaths  
Imperceptible
