Psychotic Precision

Cannibal Corpse

Horrific perception that enters the brain An abnormal psyche insanity's brain Cemented beyond immeasurable doubt Psychotic or not they need a way out

Of their obscured minds If they want to be set free Lunatics of wrath Horrid killing viciously

Like incisions With conviction Various deaths Identical

In hell they will find It is where they need to be Murder redefined Butchered meticulously

Killed the same way On the same day Various deaths Identical

Psychotic precision, Psychotic precision, Psychotic precision Psychotic precision Psychotic precision, Psychotic precision, Psychotic precision Psychotic precision

[Solo Jack Owen]

Aware not of the cruel visions each had To slaughter alike they must truely be mad Rewarded with blood on their ignorant hands These psychos precisely slew many men

With their obscure minds Feeling that they were set free Murder redefined Butchered meticulously

Like incisions With conviction Various deaths Identical Killed the same way On the same day Abysmal deaths Imperceptible
