Stripped, Raped and Strangled

Cannibal Corpse

They think they know who I am All they know is I love to kill Face down, dead on the ground Find me before another is found

I come alive in the darkness Left murdered and nameless Dead unburied and rotten Half eaten by insects

She was so beautiful I had to kill her

Tied her up
And taped her mouth shut
Couldn't scream
Raped violently
Rope tight, around her throat
Her body twitches
As she chokes

Strangulation caused her death Just like all the others Raped before and after death Stripped, naked, tortured

They're all dead, they're all dead They're all dead, by strangulation

I come alive in the darkness Left murdered and nameless Dead unburied and rotten Half eaten by insects

It felt so good to kill

I took their lives away 7 dead, lying rotten Unburied victims their naked bodies putrefy

Strangulation caused her death Just like all the others Raped before and after death Stripped, naked, tortured

They're all dead, they're all dead They're all dead, by strangulation

I come alive in the darkness Left murdered and nameless Dead unburied and rotten Half eaten by insects

They think they know who I am All they know is I love to kill Face down, dead on the ground

Find me before another is found
