Torn Through

Cannibal Corpse

Violently torn through the back of the head as debris from the skull hits the ground Writhing and twitching from brains being splattered I'll never get used to that sound Gaze at the fear in eyes horrified terrified just as a life will expire Blood drips away from an utter disgrace in hell I will kill you again Torn through with vengeance o blame Torn through for wanting you dead Anger summoned evil deep inside my rotting soul Remnants of a morbid past implies my mind is out of control Putrid vision seen before but only seen by me Screaming voices whisper murder Pent up wrath is fed with killing sprees Prolonged brutal rampage slaughter with no end in sight Remnants of a morbid past implies my mind is out of control Unforgiving pain is what another death sets free Sacrifice of sanity accelerates my lack of control Putrid vision seen before but only seen by me Screaming voices whisper murder Pent up wrath is fed with killing sprees Killing sprees Killing sprees Killing sprees Killing sprees 8 more to kill 8 more to kill 7 to kill 7 to kill 7 to kill 6 more to kill 6 more to kill 6 more to kill 5 more to kill

Violently torn through the back of the head as debris from the skull hits the ground Writhing and twitching from brains being splattered in hell I will kill you again
