Yeah, know what I'm sayin
Think you got it figured out by now
Yo, yo

If first you don't succeed try, try again Step up to the mic and die again This is the next lifetime and you wanna battle Either you like reincarnation or the smell of carnations The sample's the flesh and the beat's the skeleton You got beef but there's worms in your Wellington I'll put a hole in your skull and extract your skeleton Oh my God, said a word twice, Vast Aire, I'm twice as nice You get caught up, in my blade, might get diced The flesh is dangerous here Yo, hahaha, yo, it's Can O, yo If first you don't succeed try, try again Step up to the mic and die again This is the next lifetime and you wanna battle Either you like reincarnation or the smell of carnations The sample's the flesh and the beat's the skeleton You got beef but there's worms in your Wellington I'll put a hole in your skull and extract your gelatin Mustard seed faith move mountains This is jailhouse rap, rock hard Like faces in a cell block You'll catch a Kennedy curse from the speedknot Son, I mack cause I think different Plus your girl's sex technology, I wanna plug in Now every egg my goose lays stay golden With your poker face, I punch you in the stomach and you folded Folded, f-f-folded, folded, f-f-fo-fo-

Yo, see what happens
Fuck with the wrong people
You might get dragged into a kitchen, and cut up
This is for real right here, Def Jux right here
I'm serious, yo, Vordul Megilah

Spit with lyrics, that spill off the grill nasty Off the top, live five, fancy Fly mic strapped with nozzles Blowin Earth's color through a nostril Apostle that write novels with thoughts, mega hostile Ready to pop you, venomous snakes out the Congo With through these clear optics Yo, with large, I'll watch you Rap in the coldest winters, strapped with All sorts of snorkels attached to hoods that pull over Motorola goggles We pigeons equipped, with talons to twist, split owls Now watch me, skate off the scene with a mongoose Pop a Willie and, I'll leave you deuce bottles of Frozen rhyme juice Smoke bubble gum while munchin on Milanos We crazy, off the head, lazy Blaze emcees, amaze with degrees On a higher level, in-spire devil to leave

God cypher alone, bomb pipes on bones Architect when I write these poems, write these poems, write these poems
