

Baby

Cannons

Checking locks
Turning knobs
I've been circling for blocks
And I'll never stop

Like a moth to the flame
When you're calling out my name
And I'm on my way

I'm breaking in, baby
I'll find a way, baby
I'll make you a baby, baby, baby

I'm breaking in, baby
I'll find a way, baby
I'll make you a baby, baby, baby

I'm breaking in, baby
Baby, baby
I'm breaking in, baby
Baby, baby
I'm breaking in, baby
Baby, baby
I'm breaking in, baby
Baby, baby

And this road never ends and the street never bends
And I know I'll never escape
Ride with me and you'll see it should just be you and me
So don't take this feeling away

I'm breaking in, baby
I'll find a way, baby
I'll make you a baby, baby, baby

I'm breaking in, baby
I'll find a way, baby
I'll make you a baby, baby, baby

I'm breaking in, baby
Baby, baby
I'm breaking in, baby
Baby, baby
I'm breaking in, baby
Baby, baby
I'm breaking in, baby
Baby, baby

[illegible]

Baby, baby, baby
Baby, baby, baby
