

Crush

Cannons

I feel my heart exploding
This can't be just a crush

Whenever you come around
My heart skips a beat or two
You sweep my feet off the ground
I'm lost in a dream of you

I feel my heart exploding
My blood begins to rush
This feeling, I can't ignore it
This can't be just a crush

Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a
Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a
Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a
Crush, crush, crush
Couldn't be a
Crush, crush, crush

It's feeling like déjà vu
When I'm standing next to you
And all these years of running
They lead me straight to you

I feel my heart exploding
My blood begins to rush
This feeling, I can't ignore it
This can't be just a crush

Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a
Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a
Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a
Crush, crush, crush
Couldn't be a
Crush, crush, crush

Promise when the night turns into the sun
You'll be here, still holding on

Baby, when the light turns into the dark
You'll be there, still holding on

This feeling I can't ignore it
This can't be just a crush

Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a
Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a
Crush, crush, crush
Couldn't be a
This can't be just a crush
Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a
Crush, crush, crush
Couldn't be a
Crush, crush, crush
More than a

This feeling, I can't ignore it
This can't be just a crush
Crush, crush, crush
Crush, crush, crush
