

# Cry Baby

Cannons

I came home late  
With a million thoughts in my head  
Like how I let you slip through my fingers  
Should've heard the things that I said  
I was busy looking for affection  
When I had you here the whole time  
But you're my sunshine  
And I never meant to make you cry

But it tears me apart  
The way I played with your heart  
So before it gets dark  
Can we go back to the start?  
'Cause I hate we're apart  
I miss the way that we are

This is what I want  
You're the one I dream of every day  
Can you see it in my eyes?  
Without you it feels like I'm dying  
I'm a crybaby

You I know cry, baby  
I'm just a crybaby  
Crybaby, crybaby  
Turn back the time, baby

And I wake up late  
'Cause I was just with you in my head  
I'd rather sleep to dream  
And not get out of this bed  
Now I'm begging for your attention  
When I had it here the whole time  
'Cause you're my sunshine

This is what I want  
You're the one I dream of every day  
Can you see it in my eyes?  
Without you it feels like I'm dying  
Now I'm talking to myself  
Looking for love in the wrong places  
With thoughts of you up in my mind  
In every teardrop that I cry  
I'm a crybaby

You I know cry, baby  
I'm just a crybaby  
Crybaby, crybaby  
Turn back the time, baby

You I know cry, baby  
I'm just a crybaby  
Crybaby, crybaby  
Turn back the time, baby

This is what I want  
You I know cry, baby

I'm just a crybaby  
You're the one I dream of every day  
Crybaby, crybaby  
Turn back the time, baby  
Can you see it in my eyes?  
You I know cry, baby  
I'm just a crybaby  
Without you it feels like I'm dying  
Crybaby, crybaby  
Turn back the time, baby  
I'm a crybaby  
You I know cry, baby  
I'm just a crybaby
