

Hurricane

Cannons

I can bring a change
I can bring the thunder and the rain
Everything around me
Everything will rearrange

I'm coming back like a hurricane
I'm gonna take you higher
On a cloud of silver haze
I wanna take you higher
Away, away, away

We can blow them over
We can take them out if you stay
This is just a warning
Nothing's standing in my way
I told you before

Coming back like a hurricane
I'm gonna take you higher
On a cloud of silver haze
I wanna take you higher
Away, away, away

Take you somewhere far away
Take you somewhere far away
Away, away, away...

I'm coming back like a hurricane
I'm gonna take you higher
On a cloud of silver haze
I wanna take you higher
Away, away, away
