Boy, you put your spell on me
There's something about you
'Cause even in the sleepless nights
I'm thinkin' about you

Well, I think it's magic
Oh, I think it's magic
Yeah, I think it's magic
Yeah, I think it's magic
Just like you

Somethin's got me hypnotized
I'm helpless without you
I focus on your magic eyes
I'm under your spell now

Well, I think it's magic
Oh, I think it's magic
Yeah, I think it's magic
Yeah, I think it's magic
Just like you

Emanate far away from you tonight
But I can feel it slip away
Out of sight
Heaven ain't far away from you tonight
'But I can feel it slip away
Out of sight

Well, I think it's magic
Oh, I think it's magic
Yeah, I think it's magic
Yeah, I think it's magic
Just like you
Just like you
Just like you
Just like you
