

Bricks

CANON

In them sticks
Jump up in that crowd you'll get hit
Ya Lil body might get lifted
Flipped up on them bricks
Don't get caught lacking by yo self breh where yo clique
You talking all that noise now you in them sticks yeah
Jump up in that crowd you'll get hit
Ya Lil body might get lifted
Flipped up on them bricks
Don't get caught lacking by yo self breh where yo clique
You talking all that noise now you in them sticks

They bluffing, bluffing, y'all really ain't go do nothing
If you gotta chain better tucking it
If they take it, he might get to bustin
Hoodie up looking for action
Don't hop out like you gone drop of a package
I'm back on my east side lil John Head bussa load up my adlibs
Bet I won't get on my Ape
Gorilla how I get when I drank
Use to hit the Red Bull and hit the five
Prolly threw up last thang that I ate
Flow still harder than a semi automatic popping atcha I'm the A
K40 canon chopping
I can hit em with the minimum adrenaline Murdacion a problem y
eah
It ain't no play like I'm pastor Troy
Wu tang how I move back and forth
Start a riot once I get passed the door
Bout to give a nigga what he asking for
I'm narcoleptic watch me do this in my sleep breh
I ain't near new to this
How I make em move its Ludacris
Gottem riding my wave like a school of fish

In them sticks
Jump up in that crowd you'll get hit
Ya Lil body might get lifted
Flipped up on them bricks
Don't get caught lacking by yo self breh where yo clique
You talking all that noise now you in them sticks yeah
Jump up in that crowd you'll get hit
Ya Lil body might get lifted
Flipped up on them bricks
Don't get caught lacking by yo self breh where yo clique
You talking all that noise now you in them sticks
