

Renegade

CANON

Wylin, wylin
Yeah, yeah
Trippin'
Yeah
Renegade, hah
Renegade, renegade

I ain't trippen you can tell the whole world I'm wylin', yeah
Go 'n tell my momma I'm thug'n, yeah
Cause I'm a renegade with it, I'm 'bout it
I'm 'bouta, check it, out it
Run it you can tell em I'm done I ain't stuntin' em, yeah, yeah
I ain't trippen you can tell the whole world I'm wylin', yeah
Go 'n tell my momma I'm thug'n, yeah
Cause I'm a renegade with it, I'm 'bout it
I'm 'bouta, check it, out it
Run it you can tell em I'm done I ain't stuntin' em, yeah

Renegade, yeah
Yeah, yeah

Look at my pallet man
A rowdy rebel like the taliban
But my weapons they ain't bout no stressing
They got something good up in them that's a talisman
Rough and beautiful, like the Calico
But if they blind, it wouldn't matter tho'
If they about impositions, then they gotta go
Oppositions ain't the mission
I'm bout that hope laid up where treasures ain't hurting or jeopardized
I see your security compromised
It's incredible, all I can see is the records
Historically, you just monopolize
When you hurt us, you never apologize
You killed so many, like its Columbine
How could you sell a promise so intoxicating, but I'm stopping you now that
I recognize
I'm a renegade
Renegade
I'm rolling with my gang, gang, gang
Just know that we not the same I don't just see the picture but the frame, f
rame, frame, frame
I said it before: you think you got the freedom but I see the chain, chain,
chain, chains
It's thundering, God is coming for you soon but can't see the reign dang, da
ng, dang
You so controlling, but you won't control me, no
You not in charge, and no, you don't own me
I'm not the one, no you don't know me
My pack is so real, but you 'bout that phoney
I'm bout that action
Try, roll up on me
Call me Montana, I'm Tillman like Tony
I wanna see change, you want that money
Just look at the times, I don't care 'bout ya Rollie
Care 'bout ya Rollie

I ain't trippen you can tell the whole world I'm wylin', yeah
Go 'n tell my momma I'm thug'n, yeah
Cause I'm a renegade with it, I'm 'bout it
I'm 'bouta, check it, out it
Run it you can tell em I'm done I ain't stuntin' em, yeah, yeah
I ain't trippen you can tell the whole world I'm wylin', yeah
Go 'n tell my momma I'm thug'n, yeah
Cause I'm a renegade with it, I'm 'bout it
I'm 'bouta, check it, out it
Run it you can tell em I'm done I ain't stuntin' em

Cause I'm a renegade
Renegade
I'm rolling with my gang, gang, gang, gang
Yeah
I said it before: you think you got the freedom
I see the chain, chain, chain, chains
It's thundering, God is coming for you soon but you can't see the reign dang
, dang, dang

I'm up on my saddle, been ready to go
Half of my family don't know where to go
Some be like this and some be like that
Some put they hands up like "man, I don't know!"
I said it it before, "drown under water, ain't taught how to swim, why they
riding on boats?"
Drowning in ignorance tryn' keep afloat
They tired of the struggle, I'm tired of the ropes
Fella get high, fella get fly
Tired of yo' life? Then lil' homie let's ride
Whole buncha fellas tryna get up out the sky 'fore they raise another eagle
sending more to the sky, dead men walkin', MIA
So many so lost, can't find their way
Some won't make it, some ok, but no matter what'll happen I'm a ride for the
faith, even die for the faith

I ain't trippen you can tell the whole world I'm wylin', yeah
Go 'n tell my momma I'm thug'n, yeah
Cause I'm a renegade with it, I'm 'bout it
I'm 'bouta, check it, out it
Run it you can tell em I'm done I ain't stuntin' em, yeah, yeah
I ain't trippen you can tell the whole world I'm wylin', yeah
Go 'n tell my momma I'm thug'n, yeah
Cause I'm a renegade with it, I'm 'bout it
I'm 'bouta, check it, out it
Run it you can tell em I'm done I ain't stuntin' em, yeah

Tell em I'm wylin'
Tell em I'm good
Yeah
I'm 'bout to check it out
Tell the whole world I ain't stuntin', no
