

Run Amok

CANON

Run amok
Run amok
I run with some goons
They pullin' up
Lookin' fo' a pro'lem
Ooh, that's us
We get on the field
And run amok, aye
Run amok
Run amok
I run with some goons
They pullin' up
Lookin' fo' a pro'lem
Ooh, that's us
We get on the field
And run amok, aye

Haha, yeah, yeah, OK, I can't deny this
I'm stealin', make you turn over yo' treasure
Like a pirate
No, it don't matter what party you part of
You not invited
Yes, I got my goons
But I'm gobblin' them entirely
I'm a monster, I'll eat my own
Just to keep up my diet
You don't wanna get hit with the blade of a chopper
Come around the Canon, no options
Lookin' at trophies like, "Which one is up fo' adoption?"
Fell in the life, got no conscience
What in God's name? Those are accomplished
This is the feelin' yo' team is about to be feelin'
When I comes to take everything from you, I'm bombin'
My team is hard-bodied
Bulletproof chests with a cape on
We from a planet
The only one that got apes on 'em
My team got trophies and medals
Fo' rollin' tanks on 'em
I'm rockin' 'em, stone cold
Undertaker and Kane, homie

Run amok
Run amok
I run with some goons
They pullin' up
Lookin' fo' a pro'lem
Ooh, that's us
We get on the field
And run amok, aye
Run amok
Run amok
I run with some goons
They pullin' up
Lookin' fo' a pro'lem
Ooh, that's us
We get on the field

And run amok, aye

Aye, ain't no breaks
We a 45 series
I'm a dog
Got that canine in me
Count the cost
Y'all boys worth no pennies
Who else like us?
I don't see none, any, ah!
New grill back on the way, uh
All plays set, roll tape, I
Y'all seem gone, OK
I ain't catch no wind of that
Snap past and I run it back
You need Jumpman as a running back
Oh, ain't no holdin' back
So here I go
Gas like BPA, out my way
Play too smart with the GPA
Keep it brief like a black suitcase
And it ain't no time, hold up, it's too late
Aw, man, we ball-hog, no ham
And I know where they fell
But we just do not care
And all y'all starin' while we

Run amok
Run amok
I run with some goons
They pullin' up
Lookin' fo' a pro'lem
Ooh, that's us
We get on the field
And run amok, aye
Run amok
Run amok
I run with some goons
They pullin' up
Lookin' fo' a pro'lem
Ooh, that's us
We get on the field
And run amok, aye
