If we not blood, I got pressure watch the salt
If I'm riding, then they riding that ain't my fault
I gotta force big enough to put the game in the choke hold
I gotta navy my lil youngins oh they come by the boatload

If I'm riding, then they riding that ain't my fault
I gotta force big enough to put the game in the choke hold
I gotta navy my lil youngins oh they come by the boatload
