

The Warm Up

CANON

Pushing buttons tryna play games
But you can't I gotta a character to maintain
Tryna manipulate what you can't change
I been running with the wild since the 5th grade
Ain't no telling what Ima do when they throw shade
"Hit em with a word of repellent" but that's as no gain
Hold up
You're a shooter a with a low aim, I ain't coming down to nobody level with
no shame
I'm gone speak my mind I gotta free brain
Cuz I ain't chicken with mine, I gotta free range
If I'm scared to point out what I see wrong
Then I don't trust the right One for He reigns
I don't need hov and I don't need Ye
I gotta consigner bigger than Ya Djs
My platform was inherited my intelligence came from the Godhead separated th
ree ways
I'ma drag em till its on I'm a trip wire
I'm a dragon with a cold tryna spit fire
Now respect, Ima T rex in a V Neck
With an ill state of mind for an empire
They living sweet in the dark for the lime light
Lower level living perpetrating for the high life
When the, son rise in the night life
I can see em shine upon the shadows like its daylight, and they like roaches
when the light hit em
Ferocious
The neck froze with a neck rope that's hopeless
A chain and a million dollar name ain't a thang when the game gotta hundred
fifty ways to promote it
I pray to God he don't pass me by
Look, God alone is my alibi
Every tongue will confess to the crown
Bend down
Hit a chop at the knees like a samurai
I'm on a team winning can't lose
I gotta coach with a heel that you can't bruise
I gotta clique that a gone act crazy my squad so lit, we can trip, yeah we c
an coon
I gotta chick off the market you can't choose
I hoola hooped a ring up on her but that's old news
I'm a youngin with the veterans, living legend intelligent gentlemen swingin
g pendulum sick of me telling em
But I'm active take a look at the tactics
I can be a prick when on point, I'm a cactus
But I'd rather be be sick with the pen when I'm rapping I'm committing to fl
ipping and rippin em with gymnastics
Now look at the pen I'm pendulum swinging attracting gimme the eyes and the
ears appealing the crowd, what happened
Titanium flowing off of the cranium vocal out of the trachea taking nothing
for granted what's cracking, blood with it what's bracking
You don't wanna be around me lately, life got flipped and did a whole 180
Gotta take pills on the regular like
123 I'm in the zone errbody go crazy
Staying up super high with the hawk flow
I cut em up, how high can a hawk go
Not a new thang call me Liu Kang

I been kicking with the style come around yo

Turn up with it

Turn up with it

Let me, let me see you how you turn up with it

Turn up with it

Turn up with it

Turn up with it

Let me, let me see you how you turn up with it

Turn up with it aye!

Turn up with it

Turn up with it

Let me, let me see you how you turn up with it

Turn up with it

Turn up with it

Turn up with it

Let me, let me see you how you turn up with it

Turn up with it

Turn up with it

Turn up with it

Let me, let me see you how you turn up with it

Turn up with it

Turn up with it

Turn up with it

Let me, let me see you how you turn up with it

Turn up with it
