

When We Touchdown

CANON

Aye, when we touch down
It's a touchdown
And yo' new con
Yeah, that's us now
And when the dogs out (grr, grr)
Ooh, you lunch now
And we was way down
Now we up now

Haha, yeah, rings around my conscience
It's so many stones
Like diamonds had a mosh pit
I make it look easy
E-Dot, I gotta sign this
If I don't, then who gon' come
And resurrect my profit?
Holy Spirit, I guess
Community, that's with my family
I'm on gorilla mode
I got AK-40 Canon verses
Just to kill a clone
I'm a guest wherever I rest
I don't sit at home
I still got my ATL car
Now get in my zone
Shoot beyond the barriers
And if they shoot back
Then young Canon shoot to bury them
I fly like a [?]
Reach high like a pelican
Oh my, tell me
Who I am not better than
Man, that man arrogant, haha

Aye, when we touch down
It's a touchdown
And yo' new con
Yeah, that's us now
And when the dogs out (grr, grr)
Ooh, you lunch now
And we was way down
Now we up now
Aye, when we touch down
It's a touchdown
And yo' new con
Yeah, that's us now
And when the dogs out
Ooh, you lunch now
And we was way down
Now we up now
Aye, when we touch down

Line up on the scrimmage
You can never check me
But guarantee you try
Man, I'ma teach you lessons
Lately, I've been fallin' back

And countin' blessings
He said, "Go and get it"
Every time I go and catch it, yeah
Really in my zone
Tryna get these reps in
And I ain't worried 'bout you
Focused on my own progression
Uh oh, fee, fi, fo
I'm goin' beast mode
Salsa dancin' on my enemies
In end zone
Yeah, yeah, we been really poppin'
We been really poppin'
Thinkin' you can stop it
Ooh, you must have hit yo' noggin, yeah
Mama, we made it, uh
Mama, we made it
Bossin' up on competition
This yo' orientation
I was sleepin' on my brother couch
After graduation
Now I had myself some TV
While he fryin' his bacon
This fo' all the teachers
Told me I was smart, but I'm lazy
I tell 'em do they homework
Call me, when they done, I'ma grade it, yeah

Aye, when we touch down
It's a touchdown
And yo' new con
Yeah, that's us now
And when the dogs out (grr, grr)
Ooh, you lunch now
And we was way down
Now we up now
Aye, when we touch down
It's a touchdown
And yo' new con
Yeah, that's us now
And when the dogs out
Ooh, you lunch now

Now we up now
