

Tell me your stories, write down your secrets
and play this music as loud as it can be
get me a sandwich, buy me some hot tea
and sing this song as loud as it can be
teach me poker, dance with me slowly
and play this music as loud as it can be
open the window, drag down the curtains
and sing this song as loud as it can be
I live on the moon like your cartoon
maybe i can see myself in you
yes, i want to see myself in you
oh, it is so great! no, it's not! yes, it is all great
it happens to everyone
if you think about it starts at young age
Tell me your stories, write down your secrets
and play this music as loud as it can be
get me a sandwich, buy me some hot tea
and sing this song as loud as it can be
teach me poker, dance with me slowly
and play this music as loud as it can be
open the window, drag down the curtains
and sing this song as loud as it can be
Jumping in the pool, swimming in the cold
i ain't gonna swim at this speed of sound
i ain't gonna climb no walls no, no
it will take more than a day to change
it will take more than
a thousand pens and papers to let go to grow
so much crap!
Tell me your story, write down your secret
buy me a sandwich, get me some hot tea
speaking your language, turn off the tv
make me a draw and cut me a wash-rabbit
send me a postcard, write me a letter
and sing this song as loud as it can be
I'm a black-eyed raccoon working from the moon
i look back and all i did was blank
not there, never there
it was all a dream, a brain fantasy
too much hope tricking me
drawing smiles on my face
drawing your face on my face, i miss you
Tell me your stories, write down your secrets
and play this music as loud as it can be
get me a sandwich, buy me some hot tea
and sing this song as loud as it can be
teach me poker, dance with me slowly
and play this music as loud as it can be
open the window, drag down the curtains
and sing this song as loud as it can be
And sing this song as loud as it can be
and sing this song as loud as it can be
