

Move

Cansei de Ser Sexy

Get up, get up, get up, you've got to keep on moving
(4x)

if i put you backwards straight to the dance floor
will you still be waiting for me? will you still be my
friend?

i don't wanna beg you out with crazy crazy ideas
for i know this ain't a good place for us to talk

you better get your move on or all of that good ones
will have gone
you better get your move on or all of that good ones
will have gone
you better get your move on

get up, get up, get up, you've got to keep on moving
(4x)

if you want to say goodbye if you want to play seek and
hide

just stay, you've got the time do you really need to be
on time?

if it's something that you like everybody its so so
free outside

there's no need for playing nice, do you know what?

you better get your move on or all of that good ones
will have gone
you better get your move on or all of that good ones
will have gone
you better get your move on

get up, get up, get up, you've got to keep on moving
(4x)

all the stars about to die but you don't need to have
inside

i don't want to change your life so please hold me
tight tonight

they can really use a cab, don't go out and crash your
car

i don't mind be mess today, just take me (...)

you better get your move on or all of that good ones
will have gone
you better get your move on or all of that good ones
will have gone
you better get your move on

get up, get up, get up, you've got to keep on moving
(4x)

if someone drops you on the floor and you don't know
who did it

just flick your hair and try to kick as many people as
you can hit

you do what you gotta do so please listen to me

don't let no one play you a fool like you're a stinky
(...)

you better get your move on or all of that good ones
will have gone
you better get your move on or all of that good ones
will have gone
