

Think It Over

Canterbury

One of those days turns into one of those nights
We're pointing fingers of blame through all force of the fire
Can scream as hard as we like
Do we hear what we say in this unfortunate phase?
The way we poison out names
That look of fear on your face

Can try as hard as i like
I won't be surprising(you)

I know that it's all a game
If i'm honest i'm always confused when you play
Because i'm down on my knees from all my mistakes
Yeah they're all in your mind
I know that it's just a game
But i promise i'll never refuse not to play
Now i'm down on my knees and all i can say
Is we're all just the same

So i close up my mouth
And took her on a circle round south
The rain, it filled me with doubt
As i drove away from your house
Can drive as far as i like
I won't surprise you

My missionary bell
I heard it ringing like hell
So i'm turning around
And driving towards that sound

Oh, I'll do whatever you like
It's hardly surprising

I know that it's all a game
If i'm honest i'm always confused when you play
Because i'm down on my knees from all my mistakes
Yeah they're all in your mind
I know that it's just a game
But i promise i'll never refuse not to play
Now i'm down on my knees and all i can say
Is we're all just the same

Think it over and over
Try as hard as you like
I won't be surprised

Follow me now
Think it over and over
Try as hard as you like
I won't be surprised

Follow me now
Think it over and over
Try as hard as you like
I won't be surprised

Follow me now
Think it over and over
Try as hard as you like
I won't be surprised

I know that it's all a game
If i'm honest i'm always confused when you play
Because i'm down on my knees from all my mistakes
Yeah they're all in your mind
I know that it's just a game
But i promise i'll never refuse not to play
Now i'm down on my knees and all i can say
Is we're all just the same

I know that it's all a game
If i'm honest i'm always confused when you play
Because i'm down on my knees from all my mistakes
Yeah they're all in your mind
I know that it's just a game
But i promise i'll never refuse not to play
Now i'm down on my knees and all i can say
Is we're all just the same
