Kool

Canton Jones

(You can do it too)
I think it's kool how you praise Him
(You can do it too)
I think it's kool how you raise Him
(You can do it too)
[x4]

Excuse me miss but I
See you week after week and I
Love the passion you display
When I see you giving God the praise
I see you lifting your hands and oh
I see you doing your dance (You go girl)
Never seen nobody do it like you do (Like you do)
And I wanted to let you know I think it's kool

(You can do it too)
I think it's kool how you praise Him
(You can do it too)
I think it's kool how you raise Him
(You can do it too)
[x4]

I can see it in your eyes
That you're in love with Jesus Christ
And I can tell you love that Word
And it's sweeter than maple syrup (Yeah)
And I know you live by it (Live by it)
You give by it (Give by it)
Give up everything worldly
Keep doing yo' thang girl
Cuz' a praise like that make
Him wanna' come back early (Never seen a worship so beautiful)
And so elegant to me (It's like you're an angel)
When I see you praise Him
The Spirit gets on me

(You can do it too)
I think it's kool how you praise Him
(You can do it too)
I think it's kool how you raise Him
(You can do it too)
[x4]

Excuse me miss I was sitting in the back of the pew
And you made me wanna' praise Him too
And it's like you don't even care
Who be looking at you when you're praising (Yeah)
And you be all in it
I can really tell that you feel the Spirit
Don't wanna be rude
But the way you praise man I think it's cool
Wow...
