LIVE INSIDE

Canton Jones

One more day
I can say
I'm alive, I'm alive, I'm alive, I'm alive
I'm alive

Come what may, I pray
That you keep giving amazing grace
And God, I'm learning to worship
Anywhere, anywhere
And where peace needs, I will follow
I'll go there, I'll go there

I just want Your love
I just want Your peace
I just wanna live inside of it
There's no greater love
Than the love I have from You
I just wanna live inside of it
From now on

I wanna live in God
And God live in me
Forever, forever
I wanna shine your light
So the whole world can see
You better, better

I wanna be overwhelmed
In your spirit, God
So that You control
All my feelings, God
And what You want from me
I am willing God
'Cause then Your will
I'll experience Your healing, God

I just want Your love
I just want Your peace
I just wanna live inside of it
There's no greater love
Than the love I have from You
I just wanna live inside of it
From now on, on, on
From now on, on, on

I just want Your love
I just want Your peace
I just wanna live inside of it
There's no greater love
Than the love I have from You
I just wanna live inside of it
From now on

I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive

I'm alive, I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, alive
I'm alive, alive, alive
I'm alive, alive, alive
I'm alive, alive, alive
I'm alive, alive, alive
I'm alive, alive, alive
I'm alive
I'm alive
I find life in You
I find life in You, uh
I find life in You, oh
I find life in You
