## Love Me

## **Canton Jones**

The words i have to say May well be simple but they're true Until you give your love There's nothing more that we can do

Love is the opening door Love is what we came here for No-one can offer you more You know what i mean Have your eyes really seen?

You say you find it hard To lead the life that we once knew But there's no other way So now it's really up to you

Love is the key we must turn Truth is the flame we must learn Freedom the lesson we must learn Do you know what i mean? Have your eyes really seen?

Love is the key we must turn Truth is the flame we must burn Freedom the lesson we must learn Do you know what i mean? Have your eyes really seen?

You say you find it hard To lead the life that we once knew But there's no other way So now it's really up to you

Love is the key we must turn Truth is the flame we must learn Freedom the lesson we must learn Do you know what i mean? Have your eyes really seen?

Love is the key we must turn Truth is the flame we must burn Freedom the lesson we must learn Do you know what i mean? Have your eyes really seen?
