Canton Jones

Now I got the holy spirit inside me, right there to guide me  
Double lurking spirit right there to hide me  
I'ma [?] these chains [?] for me  
You can see it, player, I ain't what I used to be  
Spirit got me on a level I can't comprehend  
Everything gets so real in me that I can't pretend  
I got enemies against me that I can't defend  
Spirit in my against a million and I get to win

Something 'bout the Holy Spirit (yeah)  
Living on the inside of me  
Living on the inside of me (yeah, it takes me)  
Higher

Holy Spirit makes one wise, open one's eyes  
And when I make a mistake, it give me more tries  
[?] that's what I realize  
And you help me get closer and closer to the prize  
And I worship you, yeah  
I used to be paranoid  
Your Spirit has filled that void  
And all I wanna do is hear your voice, 'cause I love you  
With all my heart  
Lord, the hunger for you, feed me  
Not moving till you lead me  
Not moving till you lead me

I trust what you say, have you way  
Something, something

Something 'bout the Holy Spirit (living)  
Living on the inside of me  
Living on the inside of me (yeah, it takes me)  
Higher

Can you feel it? (I can feel it)  
Can you feel it? (I can feel it)

Something 'bout the Holy Spirit  
Living on the inside of me  
Living on the inside of me (yeah, and it takes me)  
Higher

Can you feel it? (I can feel it)

Was it something 'bout the Holy Ghost?  
Something 'bout the Holy Ghost?  
Get all in my feet  
Get all over me

When it hit me, when it hit me  
When it hit me, when it hit me  
When it hit me, when it hit me  
When it hit me, when it hit me

Baby, wanna move (move) move (move)  
Move (move) move (move)

Move (move) move (move)  
Move (move) move (move)  
Move (move) move (move)  
Move (move) move (move)  
Move (move) move (move)  
Move (move) move (move)

Something 'bout the Holy Spirit  
Living on the inside of me  
Living on the inside of me (yeah, and it takes me)  
Higher  
And it takes me higher  
And it takes me higher
