Caparezza

And if you call my name  
I don't recognize it  
If I look at my face  
I don't recognize it  
I don't recognize it  
I don't recognize it  
I don't recognize it

And if you call my name  
I don't recognize it  
If I look at my face  
I don't recognize it  
I don't recognize it  
I don't recognize it  
I don't recognize it

And if you call my name  
I don't recognize it  
If I look at my face  
I don't recognize it  
I don't recognize it  
I don't recognize it  
I don't recognize it

And if you call my name  
I don't recognize it  
If I look at my face  
I don't recognize it  
I don't recognize it  
I don't recognize it  
I don't recognize it
