Capella Grey

She likin' up all mi pictures dem
So you know I had to slide in her DM
We only had like two mutual friends
But that ass so fat, it don't make sense
I asked her where she from
Like, "Ae you from the city or what?"
"Is you tryna get litty or what?"
She said, "Damn, that's why I didn't wanna tell you... but Beds tuy

Oh, she live mad deep
I pull up and that booty lookin' OD
Girl, you might be perfect for me
But you live dumb far
Still gonna make that trip
I can't even lie, girl, Imust be really feelin' you
But you live so fuckin' far

She came all the way from BedStuy
Took the 4 to the 5
She only bought one swipe 'cause she assumed I was drivin' her home
She looked at me and I already knew
The Brooklyn in her was 'bout to come out ('Bout to come out)
She blackin' like she bout to back that— (Hol' on, hol' on)
She so fire when she mad
I kinda feel bad but she live...

Oh, she live mad deep (Yeah)
I pull up and that booty lookin' OD
Girl, you might be perfect for me (For me)
But you live dumb far
Still gonna make that trip
I can't even lie, girl, Imust be really feelin' you
But you live so fuckin' far

Still gonna make that
Still gonna make that trip for you
