

## Don't You Go

Capercaillie

the army and the navy  
they never will agree  
'til all the men and all the boys  
are gone from my country

don't you go  
don't you go, my son  
don't you go  
don't you go, my son

the proud and the powerful  
in whose hands we lie  
they never will be pleased  
'til all our women cry

don't you go  
don't you go, my son  
don't you go  
don't you go, my son

the mastery and the misery  
they call the art of war  
must never try and form a peace  
as it has done before

don't you go  
don't you go, my son  
don't you go  
don't you go, my son

the army and the navy  
they never will agree  
'til all the men and all the boys  
are gone from this country

don't you go  
don't you go, my son  
don't you go  
don't you go, my son

don't you go  
don't you go, my son  
please don't go  
don't go, my son
