

Don't You Go

Capercaillie

the army and the navy
they never will agree
'til all the men and all the boys
are gone from my country

don't you go
don't you go, my son
don't you go
don't you go, my son

the proud and the powerful
in whose hands we lie
they never will be pleased
'til all our women cry

don't you go
don't you go, my son
don't you go
don't you go, my son

the mastery and the misery
they call the art of war
must never try and form a peace
as it has done before

don't you go
don't you go, my son
don't you go
don't you go, my son

the army and the navy
they never will agree
'til all the men and all the boys
are gone from this country

don't you go
don't you go, my son
don't you go
don't you go, my son

don't you go
don't you go, my son
please don't go
don't go, my son
