Ju s'jeni gati per mu (nah)
Un po krijtoj vale

Don't make me go on action
S'jom prej atyne qe boj dissa

Ka me kallxu vet koha

Kryt e mbaj nalt
Se po afrohet bora

To the day that made me got life
You know it's got plenty of options
But I'm one of a kind
I am looking for a madness
I am wanna do a madness
I am looking for a madness
I am wanna do a madness
It's only a matter of time
To the day that made me got life
You know it's got plenty of options
But I'm one of a kind

I am wanna do a madness
I am looking for a madness
