

Uncle Rach (Interlude)

Capital T

Ooh, my bruva

Long fucking time man, I miss you too, my G. Would be lovely to see you. Nothin' bro, I am just literally working like a fucking slave, you know me. The work here is getting worse. Just been trying to make music. Just literally [?] How have you been, how's everything? How's your family? How's things with the music. I'm seeing some great things anyway
