Fus' ting!
Too much guns and ammunition distributing
Mi say medical oppression that contributing
Too much innocent youth them executing
Want fi chant to the Queen and tramp and boot him

Only Rasta can save everything
A fire man blaze everything
Babylon dem want fi grave everything
And we see dem wa deprave everything
Eh! Bolo tell them

Now why are you waiting Jah Chosen People?
A wa mek dem a gwan so?
A wa mek dem a gwan so?
Why are you shooting Jah Chosen People?
A wa mek dem a gwan so?
A wa mek dem a gwan so?
