Who's gonna save his soul before time has done  
Jah jah soon come

Cause the youths dem now ah days me say them lost them way  
Nobody no care again ah peer gunplay  
Every youth have a magic tuck up in them waist  
No more laughing again bare screw face

Me ah warn them

Before jah jah blow he storm  
All them leaders wah trick the people judas  
And lead them all astray ay ayyy ay

Diamonds and gold that's all that they know  
Just like ice there hearts are so could ayy  
War and hate is all that they sow  
Who's gonna save his soul before time has done  
Jah jah soon come

Well nuff nah real that's why them give it up

Everyday the same thing ah gun shot ah bark  
No respect and no love for mankind inna them Heart
