Me look down the road, me sight a sexy little chick
She coming up the road, she look so outlandish

And said, "Hi there, come here, me love your cherry lips"
"A girl like a you, me surely wanna kiss"
Nuh pon her jawbone me fling half dozen kiss
And inna her ears me talk some conscious lyrics

Hear her nuh, "What's the menu Caple', make me hear it?"
Hear me, rice and peas, and ackee and saltfish
Fruit, and carrot, and pop chow, and lettuce
Hot pepper, sweet pepper, tomato, and Irish
Onion, and scallion, and thyme, and garlic
And pumpkin, cucumber, and turnip
A jug of sour sap juice with nuff ice inna it
That's why me holler out
