When dem a try corrupt di world wit' politics and religion
Mama you strong,
'Cause I've seen Mom been through great tribulation
Mama you strong,
Well now mi haffi fulfill her expectation
So mi go say yo

Build her a house 'pon the hill
Inna di door mi put the jammer
Inna di window mi put the sill, yeah!
Make sure di place grill
Cause Mommy haffi hol' a Jah Jah fi keep her tranquil
Mi respect Mommy inna di days she had di skill
When Daddy couldn't find money fi facilitate di bill
She never fulfill from no handout, she a chill
She say where there's a way there must be a will
She nuh come fi breakdown, she only come fi build
