Capleton

(Bwoy mi use 2 get a way)  
Blazing! tell dem we can't cool  
No no no...wohoh (see it yah)

Everying is so fine  
Di woman of mi vision d woman on my mind  
She is so fine  
I'll neva leave her only in dis judgement time  
She is so fine  
I'll neva make her crazy, I'll neva make her cry  
She is so fine, she's mine

She is d girl to call my own  
She is d girl to be in my home  
She is d girl I won't leave alone  
She is d girl (yea yea), yo yo so mi seh again  
Rain drops fallin on my window  
Whistling like di whistlin willow  
Everywhere I go she will follow  
Tonight her head is going to be on my pillow

Everying is so fine  
Di woman of mi vision d woman on my mind  
She is so fine  
I'll neva leave her only in dis judgement time  
She is so fine  
I'll neva make her crazy, I'll neva make her cry  
She is so fine, she's mine

She is di girl to call my own  
She is di girl won't leave her alone  
She is di girl to be in my home  
She is di girl can't leave her alone (so mi seh)  
Way she luv mi good, she nah leave me alone  
Di way she luv mi good she seh she nah throw no stone  
She seh di greedy dog always loose dem bone  
Real lioness she haffi sit down inna di throne  
Tell me from birth, seh she nah suck no bone  
Tell me from birth, seh she nah suck no cone  
She dial my phone she nuh get dial tone  
Blessed, I'm comin home

Everying is so fine  
Di woman of mi vision d woman on my mind  
She is so fine  
I'll neva leave her only in dis judgement time  
She is so fine  
I'll neva make her crazy, I'll neva make her cry  
She is so fine, she's mine

She is d girl to call my own  
She is d girl won't leave her alone  
She is d girl to be in my home  
She is d girl won't leave her alone (so again)  
So mi seh I won't leave her (yo a yo)  
And I won't grieve her (yo a yo)  
And I won't deceive her (yo a yo)

And I wouldn't mislead her (yo a yo)  
But wha baby mi breed her (yo a yo)  
If she hungry mi feed her (yo a yo)  
And mi seh mi nah grieve her
