Capleton

Red hot, aah  
His Majesty ruler of di universe

Sun and di rain, fires and flames  
Never you feel ashamed  
To call on Jah name  
Sun and di rain, fires and flames  
No more niggles in vain  
No more washing of brain  
So mi go so yoh

We haffi give thanks to Rasta, yeah  
Tell dem seh time is the master, yeah  
We are no lamb to no slaughter, yeah  
Protect yuh sons dem ah yuh daughter, yeah  
Mek sure dem grow smarter  
And never get caught up in di rapture, yeah  
Well biological disaster

Never you feel ashamed  
To call on Jah name  
Sun and di rain, fires and flames  
Never you feel ashamed  
To call on Jah name  
So mi go so yoh

Never burn yuh bridge  
Yuh have to earn to give  
Yuh have to firm to live  
Just be positive and burning negative  
And the derogative

Tings and time will tell  
And mi soul mi nuh go sell  
And mi nuh go go ah hell  
Mi burn dem evil spell  
Sun and di rain, fires and flames

And regiment by that faith move mountain  
To survive in dis life is a struggle
