

You Will Make It (World Traveller Riddim)

Capleton

Ohh, yes I've got to make it on my own
Haffi go for it go for my own
Haffi go defend it for my own
(Try try)

Try and you will make it (mi seh) one more time
Cause if you nuh try you know you light won't shine
But anytime you make it then you life gon' fine
Mi dweet from mi heart and soul and mind

Try and you will make it (mi seh) one more time
Cause if you nuh try you know you light won't shine
But anytime you make it then you life gon' fine
Mi dweet from mi heart and soul and mind

Determination kick in
Can't be no weakling and can't be no chicken
Who shall survive a the fittest of the fittin'
Get up and go fi it
No time fi sittin
We nuh know bout hitchin' neither no quittin'
Non-progressive element we a evict him
Ghetto youth a step up in a life nuh try fi rip him
We nuh have no time fi no slide and slippin'
Every youth waa richin

Try and you will make it (mi seh) one more time
Cause if you nuh try you know you light won't shine
But anytime you make it then you life gon' fine
Mi dweet from mi heart and soul and mind
