Love Is The Message

Cappadonna

Remind me Tuesday I gotta go handle my business Know what I say? Straight up Yo don't play with them shits up in here Them shits is dangerous

Hey yo hey yo Hits Sally Timberland grand finale Damn imagine bringing back alam skin bally's Glass of this leather dick down status That's crabbage can't see the real so you average

Drip cammo who carry Van Damme ammo Nike airs uptown put the Benz van Yo chilling with niggas who real who respect real Big us get your wig touched crib rushed

Record and command slam jams for my mans
Puff trees, tuck these rugers in your lands
Cemented bent out of shape mend it
Represent spin been through it God hold the mac splendid

Time balotti rap version of the black gotti Rob me God'll act ungodly What never been done before It's real son you gum it out run it in the gun store

Everyday all day fat like Bob rockaway Dipped in the latest spot me right away Wu Tang executive new Donna Jay Darts in your area that's how I play

Nobody else shouldn't really have a say When it come down to this shaolin U.S.A. Represent fully give me your air space Razor sharp label keep coming out the face

Make room as I step up to the plate
Raza create sounds of earthquakes
Make no mistake kid y'all just faking
Cross-over cats that love to eat bacon
W.T.C rush like Regan, crush your little song
While you on your knees begging

Who that nigga right there? Son he trust me watch this shit right here

We see y'all niggas in the back all treed out Throw the heat out ready to stop all beef out Play me maybe you will catch more gravy kid We ill in the back feeling on your ladies We see y'all niggas in the back all treed out Throw the heat out ready to stop all beef out Play me maybe you will catch more gravy kid We ill in the back feeling on your ladies

Dripped out dip promoter

Dead arm that nigga trying to get up over

Thinking he clever but he rolled up Fronting on the God yo acting like that cheese ain't right Aight that night dunn rolled on the mic

Jumping out the lex door suede lugz on Looking like he worth ten thousand on the arms Cuban connect I had it smashed this is Godville kid we real Staring at his steel dunn ask

Jewels that he rocking bone bracelet Had laced kid screaming on his neck lex rocking Nigga had a fat lab hundred bag tools you had Ohh little wifey had it all with a fat ass

What you wanna eat boo? The rents due Niggas wanna get you you need to put a laser on your shit boo Sat there bluffing, saying nothing, looking at bird pop shit Acting like she bugging

18 karat gold and fresh boots
Me and my team regulate to the roots
Big pockets blow mics out the sockets
Condeminium Karl Kani Denim

Where the honey's at? We be getting up in them A whole lot of dollars and real scholars
The Wu got knowledge represent 5%
Or 100% pay attention

To the stretch Lincoln drinking evian don-don Stay calm under pressure break the sound barrier Big Wu Tang trucks roll in your area Wallabees for life we too hype One ring with the ice don't stress it What love is the message?

18 points on my brand new record
Dart Clapper ran like a snapper
Watch out for cappa make way
Y'all cats ain't ready for me and the DJ

We see y'all niggas in the back all treed out Throw the heat out ready to stop all beef out Play me maybe you will catch more gravy kid We ill in the back feeling on your ladies

We see y'all niggas in the back all treed out Throw the heat out ready to stop all beef out Play me maybe you will catch more gravy kid We ill in the back feeling on your ladies

Du du number 1 Dance hall storm Yo yo yo yo
