

# Angel

Cappella

I'll send an angel for this good life  
It seems like heaven that shines in your eyes  
I'll send an angel it seems so real  
Gonna lose my mind  
I'll send an angel for this good life  
It seems like heaven that shines in your eyes  
I'll send an angel it seems so real  
Now I think I'm falling for you.
