Cold Shoulder

Capsize

I feel like I'm being watched
By a room of people
Taking bets on when I'll break
And every ghost I've ever known
Still lingers in the dark parts
Of the 3am hallways

Can't trust the things I'm told
Anxious and checked out gets old
I'm ready to say goodbye just name the time and place

So keep all of your love
Cause I am undeserving
I like the way you say my name
But I love being lonely

"Cold shoulder"
"You do this all the time"
And "If you tweet before you text back one more time I'll lose my mind"

Can't trust the things I'm told
Anxious and checked out gets old
I'm ready to say goodbye just name the time and place

So keep all of your love
Cause I am undeserving
I like the way you say my name
But I love being lonely

So keep all of your love
Cause I am undeserving
I like the way you say my name
But I love being lonely

I love- I love- I l-l-l-love

I'm ready to say goodbye
(Say goodbye!)
I'm ready to say goodbye
(Say goodbye!)
I'm ready to say goodbye
(Say goodbye!)
I'm ready to say goodbye
(Say goodbye!)

Cold shoulder
Cold shoulder
Cold shoulder

So keep all of your love
Cause I am undeserving
I like the way you say my name
But I love being lonely

So keep all of your love
Cause I am undeserving
I like the way you say my name

But I love being lonely
