

## Safe Place

Capsize

Give me a reason to keep giving  
When everything I love is taken from me  
I want a quiet place, far away from here  
Take me away from here

I still keep my secrets in a safe place  
So far away from everything that's not you  
'Cause there's not much that still belongs to me  
So I walk carefully

I know it's easy to say  
Say that "no one understands"  
But it's far more simple to ignore me completely  
And you were never one for complications

I still keep my secrets in a safe place  
So far away from everything that's not you  
'Cause there's not much that still belongs to me  
So I walk carefully
