

## Dirty Blue Gene

### Captain Beefheart & The Magic Band

The shiny beast of thought  
If you got ears  
You gotta listen  
Old woman sweat  
Young girls glisten  
The extract you thought  
Is the extract you got

Pop in a thought  
Ex-extract  
D'you hear me?

Hope these are hard drops  
Grooves you away  
Drop by drop  
Light by bright  
Night by light  
There ain't no good  
And there ain't no blame  
Not hip  
Ain't no aim  
You make the fault  
You cause the blame  
Devil the same  
Pop in a thought  
Ex-extract  
Shiny beast of thought  
You hang up  
Now you're caught  
If you got ears  
You gotta listen  
Old woman sweat  
Young girls glisten  
There's more than what you thought  
Pop in a thought  
The shiny beast of thought

Stand there bubblin' like an open cola in the sun  
Back is achin'  
Work is never done  
She's swinging a sponge on the end of a string  
Right on the brink  
She spills the ink down the sink  
She's not bad  
She's just genetically mean  
She's not bad  
She's just genetically mean  
Don't you wish you never met her?  
Don't you wish you never met her?  
Don't you wish you never met her?  
Dirty Blue Gene

She's swinging a sponge on the end of a string  
Don't you wish you never met her?  
Don't you wish you never met her?  
Don't you wish you never met her?  
Don't you wish you never met her?

She's not bad  
She's just genetically mean  
(Fuck)  
Dirty Blue Gene  
Dirty  
Dirty  
Dirty  
Dirty Blue Gene  
She's not bad
